

TUITION

Monthly tuition is based on the number of class hours taken per week. Discounts are given when multiple classes are taken, either by an individual student or combined family members.

At time of registration, you are required to pay for **September** and **June** tuition, plus a **non-refundable** \$20.00 registration fee per student. Subsequent monthly tuition payments for October through May are due the first of each month. No invoices will be sent, as the tuition is broken into 10 equal installments.

1	2	3	4	5	6	7	8	9	10+
65.00	125.00	180.00	230.00	280.00	330.00	380.00	405.00	430.00	455.00

Once tuition is paid, we will hold a spot in the class for your child. **No refunds will be given if you withdraw before the beginning of the dance season.** If you withdraw from a class once the season has started, you must notify SSDS **in writing** prior to the start of a new month or payment will be due for that month. Until the written notification is provided, a space will be held for the student and tuition will continue to be charged. In the event a class is cancelled due to inclement weather, you may make-up the same class (age appropriate) on another day. No refunds will be given for missed classes for any reason.

Payments can be mailed to the studio or delivered to our mailbox located outside of our studio. **Late payments received after the 10th of the month will incur a \$10.00 late fee. A \$35 fee will apply to all returned checks.** If your account is delinquent beyond 30 days, it will be at the discretion of the management of SSDS to allow your child to continue with dance classes and/or participate in the yearly recital.

We accept cash, major credit cards, or checks made payable to StarStruck Dance Studio. Automatic credit card payments are available. You can avoid late fees by choosing to have automatic payments deducted each month. Select this option when completing the student registration form.

Private Lessons:

Private lessons are a great way to master old skills and new techniques! Rates are \$50 for half-hour class per student, and \$90 for full-hour class per student. Payment is due in cash at time of lesson.
