

The Dream That Got Away

Lyrics by Ron Miller - Music by Randy Klein

Ballad

The rain came down I guess it al-ways will But girl you saw me through.
I tried to grow - - while I was stand - ing still
Ain't that what dream - ers do If I could e - ver paint a rain - bow
I'd use the col - ors of your soul But I could ne - ver paint a
rain - bow I guessthat's why I let you go I let you go
Here's a tear for yes - ter - day Cause my pride won't let me say
that I still re-mem-ber how our heart's sur-ren-dered to the dream that got a-way
I don't know why I need to walk a-cross
a bridge that life has burned It's been a while
but I still feel the loss Time takes such fun - ny turns
